

The Hut Bowling Alley Artwork

Type of CSR Activity
Community

Organisation Involved
Castleford Academy
Airedale Academy

During the construction of a new Youth and Community Centre in Airedale in Castleford, Caddick Construction Ltd involved students from the local Castleford and Airedale Academy's in the design and creation of the bowling alley mural artwork.

"I would like to thank Caddick Construction on behalf of Castleford Academy for the opportunity to take part in The Hut project to design and create a mural for the bowling alley.

It was invaluable to our Art BTEC Level 2 Diploma students as it enabled them to participate in a live brief. The course requires external links with companies and artists; therefore this was an ideal opportunity.

The students gained fantastic experience taking part in the project and I am sure they will remember and be proud of the opportunity forever".

Lindsay D'Arcy-Neild
Art Teacher
Castleford Academy

Art Students worked on designs for the bowling alley mural which includes manga artwork as well as local landmarks and symbols including the Castleford Tiger's logo.

The Artist, Jim 'The Brush' Harper who was contracted to do the 3D artwork on the bowling alley walls used the student's designs to come up with an overall design of the mural.

During the creation of the artwork on the walls of the bowling alley, students from both Castleford and Airedale Academy were invited to The Hut to work with the Artist.

The project helped the Art BTEC Level 2 Diploma students as it enabled them to work with a live brief which they have to do to complete their course.
